Item No.	Queries	Answers
1.	Please clarify the chainage of Vito Cruz – EDSA of TOR Annex 4 Page 1 of 30. Discrepancy with the computed length and written track length is noticeable.	Please see attached revised TOR Annex 4 (Page 1 of 36)
2.	Will LRTA provide the contractor a staging area in the LRTA Pasay Compound?	Yes. LRTA will provide free of charge, staging and storage area for use of the Contractor. Costs of utilities (power, water, communications etc.) shall however to the sole account of the Contractor.
3.	Please provide us with the quantity of Twin-Block Sleepers to be replaced or the criterion to be used to qualify the said items as defective / to be replaced.	Five Thousand (5,000) pieces of concrete sleepers shall be delivered by the Contractor. All damaged/cracked concrete sleepers found during the project implementation and verified by LRTA shall be replaced by the Contractor. Excess and uninstalled concrete sleepers shall be turned over to LRTA.
