		Date Prepared:	03 July 2023
		Date of Effectivity:	06 JUL 2023

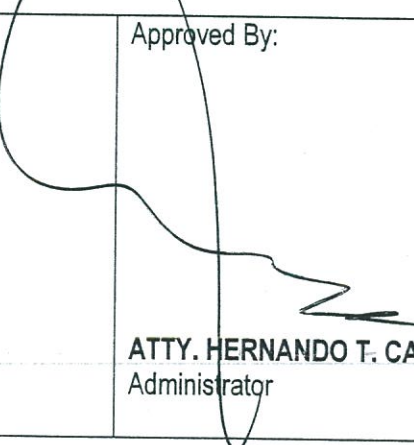

STRENGTHS, WEAKNESSES, OPPORTUNITIES & THREATS

LRTA's Internal and External Issues 			
S	W	O	T
STRENGTHS	WEAKNESSES	OPPORTUNITIES	THREATS
1. Legal mandate of LRTA 2. Over 42 years of experience in LRT operations, maintenance and support services. 3. Concession monitoring capability for Railway-PPP projects 4. Continual improvement culture with a focus on quality management 5. Consistent achievement of customer expectations since 2015 6. PRIME-HRM Level 2 Accredited 7. Environmentally friendly rail transportation system	1. Aging systems, facilities, and infrastructure since partial operation in 2003 2. Competency gaps in critical skills (Procurement Management, Project Management, Project Planning & Development, Management, Research & Development and LRT Systems Audit) 3. Non-automated processes 4. Limited authorized capitalization	1. Potential for non-rail income through commercial/project development and ancillary services 2. Positive government policies for railway development . 3. Acceptance for collaboration and partnership with other railway agencies for best practices. 4. Availability of funding and grants for infrastructure development.	1. Susceptibility to bio-chemical hazards, fire, flooding, and destruction from earthquake. 2. Socio-economic and political global crises 3. Migration of highly skilled manpower to other railway operators. 4. Vulnerability of LRTA assets and systems to security threats and terrorist attacks. 5. Government policies/actions that affect/threaten LRTA's existence, future and/or financial condition, rail operation, management and program/project implementation through privatization of Operations and maintenance.
